Welcome to the first Oregon Wine Geeks Southern Oregon Syrah vs the World wine tasting. This is a blind tasting and rating of 10 Syrah based wines from France, Australia, California, Washington vs five from Southern Oregon. Above are the wines we will be tasting as well as their price and origin. The next page is your scoring sheet, each category for each wine can be scored from 1 to 5 points, each wine can have a total score between 5 and 25. Please score each wine, if its undrinkable to your palate, give it all 1's and move on to the next. We will add up all the scores and reveal the winners. There is room for any comments on a wine on the scoring sheet, just refer to it by number. Thanks, have fun and don't forget to hold the wine and swirl it when tasting.
